SOLENT NHS TRUST

STAFF REWARD AND RECOGNITION POLICY

1. INTRODUCTION

- 1.1 Solent NHS Trust is committed to attracting, developing and retaining the highest quality staff. Vital to pursuing this aim is the recognition of employees for exceptional performance, behaviour and achievements.
- 1.2 This policy encourages such recognition of individuals and teams through a range of formal and informal methods.

2. PURPOSE

- 2.1 The purpose of our Staff Recognition Policy is to support the development of a culture whereby everyone feels valued for the work they do and recognised for the contribution they make.
- 2.2 Our aim is to ensure that our people feel recognised for things such as:-
- Going the extra mile and for their discretionary effort
 - High levels of customer care
 - Clinical excellence
 - Living our core values
 - Effective leadership
 - Exemplary attendance
 - Long service
 - Adding value, influencing changes in practice or for innovation, education, training and development
 - High levels of performance

3. SCOPE & DEFINITIONS

- 3.1 This document applies to all directly employed staff within Solent NHS Trust. Length of service for those staff who have transferred into the Trust under the Transfer of Undertaking (TUPE) Regulations will be taken into account for the purposes of applying this policy.
- 3.2 This policy does not apply to Zero Hours (Bank) workers, students, agency staff, volunteers, contractors, those on honorary contracts and people not directly paid through the Trust's payroll. However, managers of these people should take appropriate action to informally recognise individual achievements or contributions.

4. ORGANISATIONAL CULTURE

- 4.1 Organisational culture is about shared values and beliefs about what is important, the behaviour people display and everyone's experience of working for our organisation. Solent is committed to creating a culture whereby all our people feel respected and valued for their contribution. We recognise that such a culture drives excellence in both customer service and patient care.
- 4.2 Managers play a crucial role in recognising staff for the work they do whether that is informally on a day to day basis or formally through organisational initiatives.

5. INFORMAL RECOGNITION

5.1 The most effective way of acknowledging the work of others and letting them know that their contribution is appreciated is through informal and immediate recognition. This may take many forms, for example:

- A personal, verbal 'thank you'
- Sending an email or a personal note to the individual
- Making a point at a team meeting to recognise the overall team and individual contributions and achievements.

The options are plentiful and rarely cost anything other than a little effort. All managers have an important role to play in fostering a culture of recognition and gratitude within their teams by demonstrating appreciative, genuine recognition.

6. FORMAL RECOGNITION

6.1 *Performance Excellence and Appraisal*

The Performance Appraisal and 1 to1 framework enables more formal recognition of achievements over the course of the year. The annual appraisal discussion is where the overall performance for the year is discussed, including both what has been achieved (both personal and role objectives) and how the individual has demonstrated some or all of our Heart values throughout their overall performance. The Personal Development planning section can be used to record any training, education or development which has been agreed to support performance over the year; this acts as a commitment by both the manager and the individual to continued development.

6.1.2 Individual meetings

The individual 1 to 1 meeting offers regular and protected time for the individual with their line manager. These meetings enable recognition of what has been achieved and a discussion about any support that is required to support future performance. It also provides an opportunity to discuss health, wellbeing, work-life balance which in turn helps to embed a positive culture of recognition. These meetings should be reflected in the annual appraisal discussion.

6.2. *The Solent Awards*

6.2.1 Staff and Service users can nominate for up to three categories; teams, individual and manager of the month within Solent NHS Trust through The Solent Awards scheme.

6.2.2 Nominations are made and votes are cast via awards website www.solentawards.nhs.uk . Service users can request a postage-paid paper nomination and voting slip from the Reception team at Highpoint, Trust headquarters.

6.2.3 The winner for each category is the nominee with the most votes at the end of the month. Any nominees received within three working days of the end of the month are rolled over into the next month.

6.2.4 The Employee Engagement Coordinator and the Communications team will be administrators for the scheme.

- 6.2.5 The Executive team may also identify up to an additional three winners at the end of the month for any nominee that they feel deserves special recognition. The decision is made at the last Directors meeting of the month. The winners of the 'Directors Choice' award will be included in a Staff News article, added to the website; there is also an option to send an all-staff email along with the winners voted for by staff and public.
- 6.2.6 Awards are issued monthly and consist of a certificate and a small trophy.
- 6.2.7 Unless the nominee requests otherwise, all nominations and winners are listed on the Solent website and on the intranet. Winners are listed in our staff and members magazine.

6.3 *Education, Training and Development Recognition*

- 6.3.1 Recognition for achievements in education, training and development including vocational learning and apprenticeships can be shared across the organisation through the Staff News and Shine communications. Staff working towards a qualification should ensure the Learning and Development and Communications Departments are informed so they may be recognised appropriately.
- 6.3.2 To recognise best practice, innovation or leadership, nominations for formal recognition or award are encouraged through to external or partner organisations, such as Higher Education Institutes, Skills for Health, NHS Leadership Academy and others as relevant.
- 6.3.3 Recognition of staff contribution to best practice or innovation within Solent NHS Trusts resulting from participation on Preceptorship programmes, leadership and management development programmes or other internal programmes may take the form of showcasing projects or presentations to Senior Leaders or at regional/national/international events as appropriate.

6.4 *Long Service*

- 6.4.1 Within Solent NHS Trust, it is important that we recognise the loyalty of our people through their service to our organisation and that of the NHS as a whole.
- 6.4.2 Service for the purpose of this category will be classed as that attained in Solent NHS Trust or previous NHS service. Validation of service may be through the Pension Agency.
- 6.4.3 People will be individually informed of their eligibility for an award in the year of eligibility.
- 6.4.4 Long service will be recognised for staff that have attained 25 and 40 years' service to the NHS.
- 6.4.5 Staff with 25 years' service will receive £50 voucher and a certificate to acknowledge the contribution in service they have given over the years. This will be presented to them by their line manager in that service. A flowchart outlining the correct process is shown in Appendix A.
- 6.4.6 Staff with 40 years' service will receive a £80 voucher and a certificate to acknowledge the contribution in service they have given over the years. This will be presented to them by their line manager in that service. A flowchart outlining the correct process is shown in Appendix A.
- 6.4.7 Staff with 25 and 40 years NHS service will also be rewarded with an extra day annual leave entitlement, for one year only, to be taken in the year that 25 or 40 years' NHS service, to be taken as near to the employee's anniversary of their start date as possible. This would be recorded on Healthroster as other leave/Long Service Award.

- 6.4.8 Vouchers can only be claimed during the financial year in which the long service anniversary occurs; retrospective claims for long service anniversaries will not be approved.
- 6.4.9 Receipt of an award for either 25 or 40 years' service is based on an individual's aggregated service and does not count as confirmation of continuous service.

6.5 Retirement

- 6.5.1 Solent NHS Trust wishes to recognise staff who are retiring after 25 years or more spent in NHS, of which at least 5 years have been spent in Solent NHS Trust (previous service which has been subject to a TUPE transfer counts as service with the Trust).
- 6.5.2 Solent NHS Trust will make a contribution of £50 towards a celebration if the individual wishes. To secure this contribution, the line manager must complete pro forma, which can be found in Appendix B, and forward this to the Finance team. The line manager is responsible for organising events for retirees. If the trust in-house catering services are used to provide catering for this celebration the cost up to £50 can be charged to the relevant cost centre.
