

FOI_0316_22/22 – FOI request concerning – Housing Support

- 1. The number of nurses or support workers who support patients regarding their housing while they are inpatient in a mental health unit. These could be housing officers, housing support workers, special housing nurses, or similar professions that are specialised in housing support.**

We operate a 10 bedded neuropsychiatric and neurobehavioural unit. We do not have any staff members within the team that hold the specific roles highlighted above although all staff would support a patient with a housing need.

- 2. The protocol for discharging homeless patients or patients who face homelessness after their discharge. Please provide a document with the discharge policy or, if there is no document, please state what the protocol is.**

Hospital Discharge f

- 3. The number of nurses or support workers who support mental health patients regarding their housing while they are in the community. These could be housing officers, housing support workers, special housing nurses, or similar professions that are specialised in housing support.**

Solent's neuro rehabilitation services do not have any staff as identified above working in the community. We do not provide specific mental health support in a community setting. Our interventions are around cognitive impairment post brain injury.
