

FOI_0367_22/22 – FOI request concerning - Prosecution of Inpatients Policy

I used to be a Mental Health Practitioner in Portsmouth and around 15 years ago I was involved in meetings to develop a Prosecution of Inpatients Policy. I don't know if it is still in existence or if it has been replaced/ renamed, would it be possible to have a copy of this policy?

This policy is not still in operation and therefore we are unable to provide a copy.
