

## FOI\_0390\_22/22 – FOI request concerning - Number of Deaths and ICU Beds Used for Covid-19

---

1. **Please provide the number of deaths from 2011 to 2021 listed by year.**

Data is only held from 2018/19 onwards and is reported in financial years:

Year	Number of Deaths
2018/19	33
2019/20	12
2020/21	16

Data provided for inpatients only.

2. **Please provide the total number of ICU patients and/or ICU beds used from 2011 to 2021 listed by year. Please supply both is possible.**

Solent NHS Trust is a Mental Health and Community Service Trust and therefore this question is N/A.

3. **Please provide the total number of deaths where flu was the main cause of death from 2011 to 2021 listed by year.**

Data not held – we do not record the cause of death. This is determined by the coroner after the patient has died.

4. **Please provide the total number of deaths where Covid-19 was the sole cause of death listed with no other pre-existing conditions from 2019 to 2021. Please include average age of death if possible.**

As per question 3.

5. **What illnesses have you used a PCR test to diagnose other than Covid-19 (SARS COV2) and what are the cycle rates (Threshold) used to diagnose each illness?**

N/A – we don't provide PCR tests

6. **What is the cycle rate (threshold) used on the PCR test when testing for Covid-19? If this has changed at any point, please give details.**

N/A – we don't provide PCR tests

- 7. Does any individual within the organisation set the cycle rate (threshold) for PCR testing? If so, please advise details. If not, please confirm where this decision comes from.**

N/A – we don't provide PCR tests

- 8. Is the cycle rate (threshold) is the same for those who have received a Covid-19 vaccine and for those who have not received a Covid-19 vaccine when testing for Covid-19? If not, please explain why.**

N/A – we don't provide PCR tests

- 9. How many doctors, nurses, admin or cleaning staff have died due to Covid-19 only?**

Data not held.

- 10. Please provide the total number of ICU patients and/or beds used for patients who have suffered from Covid-19 only between 2019 and 2021 listed by month. Please supply both if possible.**

Solent NHS Trust is a Mental Health and Community Service Trust and therefore this question is N/A.

- 11. Please provide the total number of ICU patients and/or ICU beds used for patients who have suffered side effects from Covid-19 vaccinations between 2019 and 2021 listed by month. Please supply both if possible.**

Solent NHS Trust is a Mental Health and Community Service Trust and therefore this question is N/A.
