

FOI_0900_2022-23 – FOI Request Concerning – Sexual Health Clinic Attendance

This information is not recorded / coded centrally and would require a manual trawl of each patient records. This is therefore being exempt under Section 12 of the FOI Act.

- 1. Do you have any data over 2021-2022 on young girls and women attending sexual health clinics with anal fissures from sexual intercourse?**
- 2. How many girls and women are attending clinics with anal tears currently, whether there has been an increase over the last 6 months to a year and what age groups are reporting such issues (numbers and percentages across age groups)?**
