

## **FOI\_0727\_2022-23 – FOI Request Concerning – Mental Health Patient Homicide**

---

We don't capture the below information and therefore the questions below are not applicable.

- 1. Please can you tell me the number of your patients that have committed, or who are suspected of committing, a homicide by date, for each of the years 2018- 2021 inclusive?**
- 2. By homicide I mean murder, manslaughter, infanticide, or causing death by dangerous driving.**
- 3. By patient I mean both community and in-patients who are either current patients or who have had contact with the trust's mental health services within six months of the offense.**
- 4. By suspected of committing a homicide I mean charged by the Police or found unfit to plead where legal proceedings have not yet been completed or where a patient has taken their own life after apparently killing someone else.**
