

## **FOI\_0891\_2022-23 – FOI Request Concerning – Bronchial Challenge Testing**

---

- 1. The number of bronchial challenge tests performed by the trust, and at which sites within the Trust, during 2019 and 2021?**

Zero, these tests are not performed within our trust

- 2. The chemical agent used for the test e.g. mannitol or methacholine?**

N/A for this trust but Methacholine is used within the referral centre for this test

- 3. The providers or bronchial challenge testing on behalf of the trust, should this be a procedure that is referred elsewhere?**

If a test is required, we would refer to respiratory department within Portsmouth Hospital University Trust

- 4. The contact details of the sites/departments performing the tests?**

Nil for our Trust.

Respiratory Department, Queen Alexandra Hospital, Southwick Hill Road, Portsmouth PO6 3LY
