

FOI_1072_2022-23 – FOI Request Concerning – Private Mental Health Inpatients

Please find figures for each of the 3 questions going back to 2018-2019, I'm afraid we don't have any figures prior to this.

1. The total number of NHS patients sent to private inpatient mental health hospitals, funded by your trust, by financial year, since 2010.
2. The total number of days that NHS patients spent at a private inpatient mental health hospital, funded by your trust, by financial year, since 2010.
3. The average cost per day of sending NHS patients to private inpatient mental health hospitals, funded by your trust, by financial year, since 2010.

Total Patients

Financial Year	Total Patients
2018-2019	15
2020-2021	2
2021-2022	8
2022-2023	7
Grand Total	32

Total OBDs

Financial Year	Sum of Bed Days
2018-2019	310
2020-2021	33
2021-2022	148
2022-2023	263
Grand Total	754

Average Cost

Financial Year	Average of Cost Per Bed Day
2018-2019	£714
2020-2021	£787
2021-2022	£827
2022-2023	£890
Total Average	£785

Please note that some costs per bed day have been estimated.
