

FOI_1395_2023-24 – FOI Request – ICT Systems Upgrade and Digital Strategy

Please Note: Solent NHS Trust, is currently in the process of merging with Southern Health NHS Foundation Trust and Isle of Wight NHS Trust, therefore, our responses below are based off this.

1. What IT systems and applications are you planning to replace or upgrade over the next year?

This will be reviewed as part of project Fusion and will be done as part of a collaborative approach.

2. Are you looking to complete a HIMSS INFRAM assessment in the next twelve months?

This will be reviewed as part of project Fusion and will be done as part of a collaborative approach.

3. When are you planning to review your Digital Strategy?

This will be reviewed as part of project Fusion and will be done as part of a collaborative approach.

4. Please supply a copy of the Trust's most recent Digital Strategy.

Please see attached PowerPoint presentation.
