

## **FOI\_1402\_2023-24 – FOI Request - Wound Dressings**

---

**1. The types or brands of wound dressings currently used by Solent NHS Trust.**

Please see the wound formulary booklet which contains all of the products on our formulary.

Wound\_Formulary  
Handbook July 2023.r

**2. The sources of purchase for these wound dressings, including the names of suppliers or vendors.**

Products are supplied by Prescription via the GP or supply chain or NWOS.

**3. Whether these wound dressings contain chitosan as one of their components or ingredients.**

We have no products on the Wound formulary that contain Chitosan

**4. If available, any data or studies the hospital has regarding the efficacy of these chitosan-based dressings.**

We have some evaluation forms that were completed when we trialled a product that contained chitosan but this was stopped because all patients needed to end the trial after a couple of weeks for various reasons.
