# FOI_1428_2023-24 – FOI Request Organisational structure

*I would like to review the structure of the Teams that manage the following:*

*Please differentiate between which staff members are substantive, fixed term substantive, Bank, Part time, contract. Where a service is outsourced, please make reference to it as such*

*Please identify bands/pay scales for the roles including the Director/CDIO accountable for the functions but not salary points or names:*

1. **Clinical systems design, support, and development**
2. **Application development**
3. **Programme and Project Management**
4. **Business Architecture**
5. **Infrastructure management including desktop/1st line/2nd line/digital infrastructure design, development and maintenance including technical architecture**
6. **Information Governance including FOI and SAR's management**
7. **Clinical Coding**
8. **Systems architecture**
9. **Clinical systems support services (helpdesk)**
10. **Clinical systems configuration**
11. **Systems and software training**

Please see attached Digital Service Team Structure document.
