

FOI_1543_2023-24 – FOI Request concerning Benefits for Patients Transferred from Prison

Please be advised that Solent NHS Trust is a Community and Mental Health Trust and therefore does not provide secure/forensic inpatient services; we are therefore unable to respond to this request.

I would like to make a Freedom of Information Request relating to the benefits received by your patients when they are transferred from prison into your secure/forensic inpatient services, specifically:

- 1. How much money for personal expenses (snacks, toiletries, etc.) do your patients receive when they are transferred from prison to secure/forensic inpatient services?**
- 2. How often is this given to the individual?**
- 3. Where does the funding for this money come from?**
