

FOI_1651_2023-24 – FOI Request concerning Commercial clinical Trials.

I am trying to understand the level of clinical trials activity that is taking place in the UK.

This could be completed trials, or trials that are ongoing. When I say “commercial trials” I mean trials that are funded or sponsored by a commercial company such as a pharmaceutical company.

- 1. Can you tell me how many commercial clinical trials have been taking place in this health board during the calendar year of 2023?**
