

FOI_1670_2023-24 – FOI Request concerning Hospital Treatment of Abortion Complications

Please be advised, with regards to the questions below, Solent NHS Trust does not provide this service, and therefore are unable to answer these questions.

However we do contracted another provider - BPAS - British Pregnancy Advisory Service to deliver this service, therefore we would advise to contact them with following email address: info@bpas.org

1. Please provide the total number of patients in which their treatment was coded as Pregnancy with abortive outcome using one of the following ranges:
 - a) O030-O039 Spontaneous abortion
 - b) O040-O049 Medical abortion, or
 - c) O070-O079 Failed attempted abortion

I have included a full set of the required ICD-10 codes at the bottom of this request.

For each individual code, as noted below, I would like the totals for each twelve-months period from 01 January 2017 to 31 December 2023. My preference is the totals in each calendar year, Jan-Dec, but understand if you are only able to provide this in your chosen financial years, e.g., April – March, in which case from 01 April 2016 to 31 March 2024.
